**URBAN DEVELOPMENT DEPARTMENT
GOVERNMENT OF SIKKIM,
GANGTOK**

No. 40/UDD/2021

Dated: 11/11/2021

NOTIFICATION

In pursuance of section 7 of the Sikkim Allotment of House Sites and Construction of Building (Regulation and Control)Act, 1985 (Act No:11 of 1985), the State Government hereby makes the following provisions for the grant of permission for the construction of light weight truss roof in the existing building having approved Blue Print Plan, namely :-

1. The houseowner is allowed to construct the light weight truss roof only after obtaining prior permission to this effect.
2. The applicant has to submit application alongwith an undertaking in **Annexure 'A'**.
3. Permission shall be for covering the open terrace only and the same shall not be permitted to be utilized as a habitable space.
4. Permission fee @ Rs 10 per sq.ft. of the total covered area shall be realized from the owner.
5. There shall be proper installation of rain gutters and roof drain pipe for proper drainage of rain water.
6. Provision for rain water harvesting should be kept compulsorily.
7. The rain gutter, roof drain pipes etc. of the roof should be constructed within the ownership area.
8. External partition of not more than 4ft shall be allowed as safety measure whereas no internal partition of any kind shall be permitted.
